Small Capital. Large Returns. Options Trading 101

*Lesson 1
presented by Arsh*

A horizontal blue bar representing a video player's progress. On the left is a play button icon. Next to it is the text "33:00". To the right is a thin grey progress bar with a small black dot indicating the current position. To the right of the bar is the "WARRIOR TRADING" logo. Further to the right are three small white icons: a volume icon, a gear icon, and a full-screen icon.

In this lesson, we'll cover these important questions:

What are options?

What is short-term options trading?

Why trade options?

What is my course designed to teach you?

These answers are all essential for realizing the potential of options trading, and to see if trading options is the right strategy for you!
