

Class Syllabus

Modified on: Mon, Jul 27, 2020 at 9:40 AM

Below is the updated list of classes that we provide in each of our trading education programs, Warrior Starter and Warrior Pro.

Warrior Starter Program

Our **Warrior Starter Program** (<https://www.warriortrading.com/warrior-starter-info/>) includes monthly access to our Warrior Starter classes below, as well as access to our live trading chat room and real-time trading simulator. The 15 chapters of our Warrior Starter Course teach everything that traders at all levels need to know before they can perfect their own trading strategy. You'll learn everything from the history of the stock market, to how to read a trading platform, the basics of making a trade, which trading tools are must-haves, why being in the right mindset matters, and how to determine which trading strategy moving forward might be the best fit for you.

Warrior Starter Course (Updated for 2020)

Warrior Pro Program

Our **Warrior Pro Program** (<https://www.warriortrading.com/warrior-pro-info/>) includes all of the chapters of our Warrior Starter Course, as well as the 7 advanced trading courses below which teach the exact trading strategies we use every day to trade and achieve financial freedom. Warrior Pro members get access to our full set of classes as well as our live trading chat room, 6-times-weekly group mentoring sessions, our full set of scanner settings, and our real-time trading simulator. We have options for annual access to the Warrior Pro, as well as 90 day subscriptions which renew monthly. If you have previously purchased our Warrior Starter Program, get in touch with us (<http://support.warriortrading.com/support/tickets/new>) to ask about upgrading to Warrior Pro.
